

Mission

The Bicycle Farm is a non-profit learning space run by volunteers who believe that bicycles are an ideal (and fun!) mode of transportation. Our mission is to promote the bicycle as a fun, safe, and accessible form of transportation, to foster healthy urban communities, and to provide a welcoming space to learn about building, maintaining, and riding bicycles.

The Bike Farm is entirely volunteer-based, with core members and volunteers, both of whom can earn privileges based on time and commitment.
